Victims of War

Savannah Skye (http://geocities.com/savvy1007/)

Victims of war
Dance on shards of pain
In life's empty battlefield

Ghosts dance in their head
Casting shadows of death
Across casualties of life

Crimson tears are cried
From eyes long blind
To blood shed for peace

Children left behind
Blown to fragmented pieces
By smart bombs incognito

Ears do not ring freedom
Flags are tattered and torn
Above bodies lying in a pool of blood
